"Happy New Year!" The intent behind the greeting is sincere. Yet, when we boil it down, the words or no more than - a wish.

We instinctively know at any moment something beyond our control, good or bad, could intersect the life of the person we just wished well. Surprises come along, spoiling our best hopes for that person. Still, we wish Happy New Year to each other; particularly because we know the uncertainty of the next second.

A good life is not contingent on the fates; but on certain graces that see us through challenges faced. Thus, learning to pay attention, specifically naming the grace that navigates us through those moments is a necessary life skill. The more aware we are of the way God offers new mercies each day, the more this new year will be happy.

If 2019 turns out to be not what we personally hoped, may the refracting light of God's grace be seen along the way. If 2019 brings challenges in our community of faith, may we remind each other of the multitude of favors that continue to rain down on us. Seeing events through the lens of God's serendipitous kindness makes a year happy. C'mon 2019, we are ready to see God's hidden hands guide us over these next 12 months.

So, let's say in one voice (SINCERELY) Happy New Year!

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law. Our mission as Pack 409 is to prepare our boys to become everything that they can ever hope to become. With the help of our outstanding parent volunteers, to teach our sons how to be strong, independent, good, moral leaders of the future, to guide them to become the men that we, as parents, vision them as in our minds, and to create a childhood full of wonderful memories that the boys will cherish. And most importantly to have as much FUN doing it as we can!

Another Year Begins

Andrea Woronick

It's that time again, and I am ready to begin another new year. I have the same hopes for this year as I did for the last one: exercise more, get more sleep, eat healthier food, work more when needed and work less when I can.

Yes, this year will be the year that I make all these changes to improve my life!

But instead of jumping ahead too quickly, I have decided to take some time to look back on this past year and celebrate my accomplishments. I suffered some real hardships and disappointments, but I made it through another year and grew from my adversities. Of course, I can always improve, and each year I make resolutions to be better. But I also know that I am a beloved child of God, who loves unconditionally. Nothing I can do will make God love me more or less.

So, as I look forward to the beginning of a new year, I am filled with new hope, expectations — and resolutions. And, as I look back on the past year, I celebrate my life and all that I have experienced, knowing that God has been with me through it all.

God's love frees me to celebrate life with gratitude.

Volunteers Needed

Meals on Wheels
is looking for more
volunteers to help
deliver meals.

They deliver on Tuesday, Wednesday and Friday. Each person delivers about 4-5 times in a quarter, or about once or twice a month. Two people go together each time. It takes about 2 hours each time. The delivery route is mostly around the Windermere area in Pflugerville. You would have to commit to a particular day of the week for a quarter. Meals on Wheels has a training video that they want viewed which takes about 30-45 minutes and a background check needs to be done.
